Subject: Thank you for serving as a program committee member in AAAI FSS-26

Dear Tirtho Roy,

Thank you for serving as a program committee member in TAS 2026: Trustworthy Agentic Systems, an AAAI 2026 Fall Symposium.

We are grateful for the time and care you gave to this. Reviews were due on a very short timeline, and yours arrived on time which helped us to complete our decisions and notify authors on schedule. Your assessment directly shaped the outcome for the paper you handled. We hope you will consider reviewing for us again in the future.

The symposium will take place on November 5-7, 2026, in Arlington, Virginia. We would be glad to see you there participating in the symposium discussions and activities.

With kind regards,

The TAS 2026 Organizing Committee

Sumon Biswas, Anindya Bijoy Das, Shahnewaz Karim Sakib, Shibbir Ahmed
